Hegel and Performing and Goofing Around

By M.L Tanley (1814)

I. What does this mean?

Just fib a whole film.

II. Extend It

Make up a whole Faith and Knowledge extravaganza.

III. Mix it Up

Edit this again and again.

IV. Free Acting

Just be really theatrical like a Cuban Prime Minister or even a Spanish theatricist.

Note –

G.W.F. Hegel (1815)

I meant to be more philosophical.

I mean

Be a absolute idealist and be on a news reel futuristic television show acting. But do it this way. Sublime. Thank you, Inshallah we understand the Prophet who does this.
